Soffit Mount
Multi-family Air Handler
Bringing the ADP Experience to Multi-family

ADP soffit mount air handlers are designed to meet the needs of the rapidly growing replacement market. All of our air handlers are thoroughly tested to ensure quality and deliver reliable ratings, as well as designed to save customers time on installation. ADP air handlers are the perfect replacement for multi-family applications.

Perfect Fit
ADP provides options for a variety of applications to meet industry needs.

- Fits industry standard footprint
- Shallow depth for easy installation
- Standard connection locations
- PSC and ECM motor options

Cased Options
The soffit mount knock-down case provides for ease of installation and simple servicing.

- Optional factory installed case for new construction
- Knock-down case accessory saves storage space
- Both cased options return air capable

THE ADP ADVANTAGE

FLEXIBILITY  ADP tailors custom solutions to meet your unique market needs.
QUALITY  ADP proprietary testing technology ensures leak-free performance at the higher operating pressures of R-410A systems.
SERVICE  ADP air handlers are made for seamless installation and easy access.
ENERGY SAVINGS  Many models are available to achieve higher SEER levels for ENERGY STAR compliance, utility rebates, and federal tax credits.
WARRANTY  ADP air handlers come with a no hassle 5-year warranty and feature an available 10-year limited warranty. Simply register online at www.ADPwarranty.com.
