PRODUCT GUIDE

Soffit Mount  
Multi-Family Air Handler

# Bringing the ADP Experience to Multi-family

ADP soffit mount air handlers are designed to meet the needs of the rapidly growing replacement market. All of our air handlers are thoroughly tested to ensure quality and deliver reliable ratings, as well as designed to save customers time on installation. ADP air handlers are the perfect replacement for multi-family applications.

CU & AL Coils	A/C and heat pump match-ups
Factory Installed Heat	Available factory installed heat kits reduce complexity of installation
Factory Installed TXV	Available factory installed TXV's with all threaded connections saves time in the field
PSC or ECM Motor	Available high efficiency ECM motor for enhanced performance

## Perfect Fit

ADP provides options for a variety of applications to meet industry needs.

- Fits industry standard footprint
- Shallow depth for easy installation
- Standard connection locations
- PSC and ECM motor options

## Cased Options

The soffit mount knock-down case provides for ease of installation and simple servicing.

- Optional factory installed case for new construction
- Knock-down case accessory saves storage space
- Both cased options return air capable

## THE ADP ADVANTAGE

FLEXIBILITY	ADP tailors custom solutions to meet your unique market needs.
QUALITY	ADP proprietary testing technology ensures leak-free performance at the higher operating pressures of R-410A systems.
SERVICE	ADP air handlers are made for seamless installation and easy access.
ENERGY SAVINGS	Many models are available to achieve higher SEER levels for ENERGY STAR compliance, utility rebates, and federal tax credits.
WARRANTY	ADP air handlers come with a no hassle 5-year warranty and feature an available 10-year limited warranty. Simply register online at <a href="http://www.ADPwarranty.com">www.ADPwarranty.com</a> .
